

Aunt Nettie and Jennie ~~and~~ went for a ride with Aunt Lydia and Margaret. They went to Montrose and saw Teenie Davis for a while. Aunt Lydia treated them to dinner at New Milford. They went around 10 or 10:30 and got back 3:45 or somewhere around there.

Pap came down and ate dinner with me.

Stanford Morgan, Ben Watkins and another fellow have just at Baker. So I have to take the car over and go after it now. Stanford & Ben are selling the moving board pads.

There isn't much news now.

Mom and Pap most likely will see you before they come home. We do not expect to be down Sunday.

Mom is trying to open that stuff that is good for chapped hands. This is her.

Don't get it
Did you get the can opener for me?
